## 2022 ROSÉ CALIFORNIA ROSÉ WINE

Our friend. A true legend and saint, Bob Gibson lent his hand to press these grapes. He jumped out of the truck and rolled up his sleeves to finish the job.

This Rosé has seen 8 hours of skin contact and was pressed and fermented in stainless steel. And let me tell you; it's a beauty to behold. Delicious and light-hearted but produced with all the serious care and attention to voluptuous detail for which our wines are legendary. The color is simply stunning, reminiscent of a wedding. And the flavors - watermelon, strawberry, and jolly rancher fruits galore- are beautifully balanced by bright and tight acidity and a dry and savory aspect that keeps the fruit in line. Serve cool but not cold; after all, the night is still young.
